USF Sarasota-Manatee creates Global Engagement Office

Tampa Bay Business Journal Friday 30th May, 2014

(left to right): Kiki Caruson, USF assistant vice president for research, innovation & global affairs; Cihan Cobanoglu, dean, USFSM College of Hospitality & Technology Leadership and director of global engagement; Roger Brindley, USF vice provost & USF system associate vice president; USFSM Regional Chancellor Arthur Guilford; Mohsen Milani, USF executive director, Center for Strategic & Diplomatic Studies; Amela Malkic, assistant director, USFSM Office of Global Engagement

USF Sarasota-Manatee has created a Global Engagement Office, which aims to provide students with global academic experiences.

The GEO program will specifically support study abroad programs, collaborations and agreements with other countries, and advocate for increased international academic exchanges, a statement said. Cihan Cobanoglu, dean of the College of Hospitality and Technology Leadership, was named director of GEO. ...
